OLD FORT SCHOOL

Foreword

We, the Class of '61 of Old Fort High School, wish to present another edition of "The Trail" to the people and friends of Old Fort School community.

We have taken great joy in editing this yearbook. We hope that it will bring back memories to all of you.

This annual represents the patient efforts and hearty cooperation of the faculty of Old Fort School, our sponsors, advertisers, and our advisor, Mrs. Newman. To all we express our appreciation and thanks.

The Editors

Dedication

To Mr. Ward Rosenberger, we the Senior Class of 1961, dedicate this yearbook. Mr. Rosenberger became a member of the Old Fort Board of Education in January 1938. He was chosen president of the Board of Education on September 1, 1938. He has held this position all this time, a total of twenty-three years of faithful and devoted service.

Mr. Rosenberger has capably led the members of the Old Fort Board of Education through several building programs. Additions to the school plant were made in 1938, 1939, 1955, 1956, and 1958. Now in 1961 another ten-room addition to the new elementary building is in the process.

We hope by this dedication to express the appreciation of the student body, employees of Old Fort School, and the Old Fort School Community for his interest in the education of youth.

WARD ROSENBERGER
President

The members of the Board of Education represent the citizens of the Old Fort School District. It is their responsibility to determine the educational policies for the district.

Now a new addition to the Elementary Building is in the process. This makes additional problems to be solved.

Class History

It is hard to believe that we are seniors, for it seems like only yesterday we were learning our A, B, C's.

On September 6, 1949, 51 excited children crowded the two first grade class rooms, taught by Mrs. Marcella Mosier and Miss Harriet Biddle.

From the original 51 children, 24 remain to graduate. Of these 24, 23 completed their 12 years here at Old Fort. They are: Roger Blue, Roger Dunlap, Robert Bartson, Norman Eborg, Norman Fry, Denver Price, Larry Semer, Cornell Weltin, Robert Wise, Rudy Gonzalez, Martha Buskirk, Cassandra DeRan, Charlotte Dunlap, Norma Eborg, Jeanne Field, Mary Jane Gillmor, Sharon Gillmor, Loretta Hilton, Wanda Peake, Helen Smith, Mary Walters, Marigene Steinberger, and Sharon Suffecool.

The second grade was taught by Mrs. Frances Witter and Miss Harriet Biddle. They taught us to write our first words in ink. Ronnie Baker left our class, but returned later. Thomas Johnson joined our class.

In the third grade, Miss Christine Day led us to the next step of our journey. This year John Montgomery, Dick Rau, and Francis Steinmetz joined our class.

In the fourth grade Miss Lois Berlekamp taught our struggling group. Anna Lou Byrne, Ruth Ann Mowry, and Linda Speller joined our struggle to reach the top.

The fifth grade was a memorable year, for this year we were taught by Mr. Mervin Bare. He taught us the value of getting along with other people, which is essential. This year we welcomed Doris Barto to our class.

The sixth grade was taught by Mrs. Maude Cloutier. In this grade we learned, if nothing else, to look for the beauty in nature, and how to capture it. Jack Hoover, Jim Lynch, Ronnie Steinmetz, DeWayne Flanders, Pat Hartenstein, and Dick Mestrez helped to increase the size of our class. Ruth Ann Mowry left us here, but returned later.

The seventh grade was grouped together by Mr. John Ridley. In our first year of Junior High, we had our first basketball team. Raymond Strait and Larry Adelsperger helped our cause this year.

Our eighth grade class was divided into two sections, taught by Mr. John Ridley and Mr. Arthur Mehaffey. This grade was a stepping stone into high school, and was our last year of Junior High basketball. Earl Filson and Don Miller joined us.

Our freshman year was taught by Mr. J. Lehr Swihart and Mr. Bill Smithpeters. Gary Black, Ruth Ann Mowry, Ronnie Baker, and Judy Reis joined us for initiation.

Our sophomore year Mr. William O. Chaney was our advisor. Along with his humor came Jeanne Flack.

CLASS HISTORY (continued)

Our junior year was guided by Mrs. Helen Newman. This year we received our class rings. In the spring, we were proud to put on our first class play, "Seventeenth Summer." Marjorie Tracy joined forces with us.

In our senior year, no one joined us. This year we were busy working on the annual and the senior class play.

Our next step is to receive our diplomas. From there we will separate. Each going his own way to find his life's work. For some there is further education. Others will find jobs. But behind us all will lie the pleasant memories of our school days here at Old Fort.

Class Prophecy

It is commencement night at Old Fort High School. As I walk down the aisle and look at our class motto, I can foresee what the future will hold for all of us.

"A class reunion is being held at the Old Fort School on July 12, 1972." This is what the card said that I received today in the mail. It was signed by Martha (Buskirk) Adelsperger who was our class secretary. I hear she is now teaching Shorthand at Waynesbury High School. Her husband, Larry, is a pitcher for the Pirates. I decided to call Jeanne (Field) Heilman, my next door neighbor, and ask her if she planned to go. She answered that she would like to if her 3 children are home from camp in time.

On the way to the reunion I was picked up for speeding by Patrolmen Dick Mestrez and John Montgomery. As they wrote out the ticket, they complimented me on my car and asked me what kind it was. I was astounded to hear that they had not heard about the new "Hessick" which was designed by Bob Bartson, one of our former classmates. I told them they could buy one from Rudy Gonzales, a dealer for "Hessicks."

Being carted off to jail I was allowed one phone call to my lawyer; I chose Bob Wise. As we discussed my case his secretary, Mary Jane Gillmor, came in to tell us that court was ready to convene. The judge was Larry Semer. He let me off on my good behavior.

As I went on, I was stopped by a road block. A train had skipped the rail and several animals that had been captured by Roger Blue on his latest African Safari had escaped. The officers warned me to be careful.

I just realized that it was time for a radio program that I didn't want to miss, Smokey (Don) Miller's U. S. Bandstand. Denny Price is the announcer for the program. I had to interrupt the program to buy some of Jim Lynch's world renown pickles.

As I went through Fremont I stopped at the new women's shop (Reis's Parisienne (Shoppe). Judy Reis, the owner, came over to say hello. She told us about an incident that happened last week. A check had bounced at a local bank. Helen Smith, head bookkeeper at the Federal Reserve Bank, had been asked to check into it. I bought a dress and paid cash! The dress needed altering so Judy's best seamstress said she would do it. She turned out to be none other than Ruthanne Mowry, another classmate. They both said they would see me at the reunion the next day.

I stopped for the night at the Hartenstein Hotel owned by Pat Hartenstein. He informed me that Tom Johnson was his manager. Being tired, I went down in the lobby to watch a favorite television show of which Francis Steinmetz is host. Making a guest appearance on his show, was Ronnie Steinmetz. Jack Hoover is the choreographer for the show. While I was in the lobby, I met Mary Walters and Linda Speller. They told me they had just flown Margie Tracy to her assignment as a WAC secretary for a Major in Weisbaden, Germany. Mary and Linda are very happy with their positions as airline stewardesses. A companion at dinner recommended that I read At Midnight by Jeanne Flack. It suddenly crossed my mind that Jeanne was a classmate of mine.

(continued)

CLASS PROPHECY (continued)

The next day on my way to the reunion I saw Dick Rau's Farm Implement Store. As I drove up to my Alma Mater I recalled some of the fond memories of my school years. There to meet me was Earl Filson who is a farmer. I decided to take a quick tour of the school. I was told that Sharon Gillmor is now the Home Economics teacher, Cornell Weltin is the Vo. Ag. teacher, Doris Barto teaches kindergarten, Cassie DeRan is the English teacher, Loretta Hilton is the Music teacher, and Anna Lou Byrne is the Latin teacher.

As I was going out the door I met Charlotte Dunlap who is now working as a model in New York. With her was Marigene Steinberger, who is a social worker in Indianapolis. Then I saw Norman Fry and Ronnie Baker coming up the walk. Norm is a lecturer on financial farm problems. Ronnie has a farm and sells fertilizer as a side line.

When I went up to get my coffee at dinner, I finally got to talk to Wanda Peake who has a husband and 2 children. As I glanced back at the tables, I saw Norman and Carol Eborg sitting with Norma Eborg. Norm, I hear, is an electronics engineer for the Navy. Norma is secretary to a university dean. There were 30 out of our class of 46 that attended.

On the way home a billboard caught my attention. It advertised that Ray Strait would be featured tonight at the stockcar races. I took my eyes off the road too long and ran into a telephone pole. I called Gary Blacks' Wrecking Service to come and get my car. Sharon Suffecool, a floor supervisor, took care of my hurt arm at the hospital. I consulted Roger Dunlap, an insurance agent, as to whether my policy would cover the accident. I also had to consult DeWayne Flanders, a finance manager, to pay for my damages to my car. He told me that he could loan me enough money to get me by.

Now as I received my diploma on commencement night, I realized that with all the knowledge we have achieved during these 12 years of school, these things that I have foreseen, can come true.

LAST WILL AND TESTAMENT (continued)

I, Raymond Strait, will my glasses to anyone who wants to use them.
I, Sharon Suffecool, will my long eye lashes to anyone without any.
I, Marjorie Tracy, will my comfortable seat ? ? ? on bus 7 to my sister Edna.
I, Mary Walters, will all the A's I got in Chemistry to my sister Ruth Ann.
I, Cornell Weltin, will my waist line to Pam Wilbert who needs it very badly.
I, Bob Wise, will my skinny physique to Jakey Wonder, in hopes that some day we may reach a happy compromise.

We, the Senior Class of Old Fort School, do hereby sign this, our last will and testament in the eyes of our witness.
